

New Mexico 811 offers a wide variety of classes to help ensure safe excavation and excavator compliance with the law.

If your class group consists of 10 people or more we can send a representative to you. Any smaller classes will be conducted virtually upon request.

NM811 offers a preemptive excavation law classes for free, however, if an excavator is found in violation of excavation law they may be required to take a \$250 class through the state as well as receive a fine for the infraction.

Save your company time and money by signing up for one of our free classes today.

Free classes offered by NM811:

- **Portal classes**
